should be a man)  
Asi kuita murume hakusi vaskana

Kana vatatu (But being a man is not  
having 2 or 3 girlfriends)  
Ini ndinokuda nemoyo wangu wese (I  
love you with all my heart)  
Saka ndichida tichengetana  
patinosangana pose  
(That's why I want us to use protection  
whenever we have sex)  
Ichi ndicho chitsidzo change kwauri  
(This is my promise to you)

### CHORUS

Mudiwa aaaaaa (my love)  
Chokutanga kunchengeta iwe neni

the right choices)  
Mudiwa X2 (my love) X2

We are young, we love, and we care  
And sometimes we might make  
mistakes  
Everybody falls it's not end of the world  
You've got to know there is always a  
helping hand  
Do not be afraid  
Seek for medical aid  
Babe let me hold your hand Nokuti  
(Because)

## CHORUS

Tikawana dzidzo yedu (If we get an  
education)  
Tichidanana hedu (And stay faithful to  
each other)  
Hazishoreka babe (we will be all right,  
babe)  
Let us show the world  
There is hope for a brighter future.

their voices  
Imagine young ladies that aint ready for  
birth  
Waiting till the moment is right and  
planning it first/  
Imagine my young bucks not acting like  
dumb punks  
Ball in their court play the game right

Imagine parents, leaders setting the  
right example  
Do as I do as I say, can you handle?

Place in your area you can unwind and  
Nobody there is gonna judge ya  
Nobody there is gonna judge ya  
You can get tested for HIV  
And know your status just like me  
Go with your family  
Go with your friends or your family  
Get information on contraception  
Pills, implants and Injectables  
In all your nation,  
You are able coz it's all accessible

**CHORUS**

**KrTC of Hip Hop:**

We are all created equal

And when I say we, I'm talking about  
humankind  
Um-hiabluyajika ungasaledi (the world  
is evolving don't be left) behind  
Let's close the gender gap, silestse  
kukhannya (bring enlightenment) to  
blind  
Safeguard Young People on the M.I.C  
Inequality is a driver of the H.I.V  
So let's tip the scale  
And leave the world shook,  
Watch the Richter scale  
Ngumoya wekuthula (it's the spirit of  
harmony) that will push the sail  
Of our relationships all abroad  
Masculinity is supposed to protect the  
vulnerability of our community

**CHORUS**

**3. JACK AND JILL by KrTC of Hip Hop**

We used to be the perfect couple  
Closer than a cuddle  
Untouchable  
We live in our own little bubble  
Even grow folks wanted to have a love  
like ours  
Cloud 9-nah beyond that -ours wars  
mars  
But in the blink of an eye; I lost sight of  
my lady  
I called another "baby"  
I started acting shady  
Little did I know that pretty little you,  
always knew  
The silly little things that I do  
Like sexting without protection  
You started texting -with intention  
Off a hook up /cause you were shook  
up  
7- Star hotels, you and him were  
booked up damn!  
This is Jack and Jill could 'a gone up  
the hill  
But thanks to jane they at the bottom  
still

**CHORUS**

Me and you  
 We! Us 2  
 Got a couple things we need to resolve  
 How I wish we didn't get anybody else  
 involved  
 You are the girl who always had my  
 heart  
 But then we grew up -we grew apart  
 My jokes weren't funny no more  
 Whatever you wanted I would give, but  
 I guess you wanted more  
 What used to be gratitude /is now  
 attitude  
 Out of my reach, Mami picked up on  
 altitude  
 Out of my range, so she jumped in his  
 Am just a school boy, he run his own  
 business  
 Switched up your shoe game, then hair  
 Brazilian  
 You were rolling, the boy still  
 pedestrian  
 Something ain't right, seems rather  
 risky

### **CHORUS**

We had a good thing -our little hood  
 thing  
 We should' a known better than to  
 make it agroup thing  
 Cause now I caught the virus and I  
 passed it to you  
 And you got a sugar-daddy, so U  
 passed it to him  
 He probably got a couple others, so he  
 pass it to them  
 And plus he a married man, my God  
 he got a fam  
 If I could I could turn back the hands  
 of time  
 I would talk to myself in a nursey  
 rhyme  
 This jack and Jill could' a gone up the  
 hill  
 But thanks to jane they are at the  
 bottom still This is jack and Jill could a  
 gone up the hill

But thanks to John, they at the bottom  
 still  
 So instead of finding a way to love a  
 million girls  
 I'd rather find the girl to love a million  
 ways

 sight

 You gotta Educate and protect her  
 Busi can be anywhere in your plain  
 sight  
 We can help Busi live a better life  
 Zina yake (**the name**) Busi zina yake  
 kuwama(**the name is nice**)  
 But you cant tell she's been living with

 from boozing

 If only she would 've known jack was  
 being abusive  
 Exclusive? Not even a relationship  
 Anatenga kadoyo (**she got the virus**)  
 Jack 's old whip  
 Ana gona na mwana (**had sex with a

 Assist her, no one  
 Convict her what they want  
 Every time she passes it's just whisper

 But all Busi wants is to be given a  
 chance  
 To tell the real story "bout the terrible  
 events  
 A dent like a stab from a butcher 's
